

## 1Bump! arriving at Google Play, App Store and Itch.io

Are you able to reach the end?

**LISBON, PORTUGAL, 27 October 2016** - 1Bump! has a lot of levels waiting for you. Jump and dodge the obstacles with the cube and get to the end. Be the first of your friends reaching the final level of 1Bump!...but... will anyone be able to get there?!

Face a variety of obstacles, from the easiest to the hardest, the thinner to the thicker, the easiest to the more complicated... However, the real question here is if you can avoid them all! 1Bump! is a game for all ages that promises to give you a lot of challenges and play time.

Race your friend to see who's the first to surpass all levels. You've got no excuses for not playing it...it's available on Google Play, App Store and Itch.io.

Ready for download and to make your life way harder.
