## PRESS RELEASE

**Italy**, April 12, 2022 — **SkillGrid v1.2** is out! This version improves the game further and, above all, brings also the **PRESS PLAY ON TAPE** edition, a special version whose soundtrack is the rockin' tongue-in-cheek song "*Man with the Gun*" by the **Commodore 64** revival band **PRESS PLAY ON TAPE**!

Like all the **RETREAM** games, **SkillGrid** is 100% free. However, who likes it is kindly asked to offer some support to somebody who is a victim of any kind of violence.

**SkillGrid** is an **Amiga** shooter that combines innovative gameplay and techniques. Originally released in 2019 in collaboration with **RGCD**.
